## THE BISTÅ CENTER IMPLEMENTS EVIDENCE BASED PRACTICES IN ABA TREATMENT

The BISTÅ Center offers individualized ABA treatment packages based on initial and ongoing assessments. ABA treatment packages include assessments, development of individualized skill acquisition programs, problem behavior identification and reduction, parent and family training consultations, and social groups.

### TREATMENT FOCUSES

- Problem Behavior Reduction
- Social Skills
- School Readiness Skills
- Toilet Training
- Parent Training
- Basic Communication Skills
- Independent Play Skills

### ADDITIONAL SESSIONS

**Social Skills Groups** – Offered throughout the school year (August-May) twice a week on Mondays and Thursdays from 3–6 p.m. at the Mesa Clinic location. Various age groups are available from five years old and up, concentrating on communication skills, problem solving, game play, sportsmanship, sharing and turn taking.

**Summer Camp** – Offered Monday-Friday during June and July each year for various ages. Weekly themes are planned to enjoy summer activities such as space week, camping week, and ocean week. The daily program runs from 9 a.m.–3 p.m. and is broken up into one-on-one work time for individualized programming and social group times each day. Fall, winter and spring break camps are also available.

### ASSESSMENTS INCLUDES:

- VB-MAPP
- Assessment of Functional Living Skills (AFLS)
- Assessment of Basic Language and Learning Skills (ABLLS-R)
- PEAK: Relational Training System
- Essentials for Living
- Social Skills Improvement System (SSIS)
