In addition, ACCEL nurses provide care for injuries, acute illnesses, and long-term management of students with significant and complex healthcare needs.

HEALTH CARE AND THERAPEUTIC SERVICES

Providing nursing and therapy services tailored to meet the individual needs of the student in a school setting.

ACCEL is proud to provide equal opportunity for all regardless of race, color, sex, genetic test results, religion, religious creed, national origin, age, disability, marital status, sexual orientation, veteran status, or any other protected characteristic.
THERAPEUTIC SERVICES
Therapeutic services optimize student performance and ability to access the educational curriculum in order to implement individualized Education Programs (EPs). Qualified licensed therapists provide a range of services including:

- Speech-language Therapy
- Physical Therapy
- Occupational Therapy
- Adapted Aquatics
- Music Therapy
- A certified teacher for the visually impaired

PHYSICAL THERAPY
Physical therapy primarily addresses motor skill performance and may focus on one or more of the following areas:

- Postural control and balance
- Muscle tone and strength
- Coordination
- Joint range of motion
- Skin integrity
- Ability to perform specific gross motor skills
- Ability to achieve independent mobility (e.g. walking, wheelchair, adaptive tricycle)
- Adapted seating within the school environment

ADAPTED AQUATICS
Aquatic Therapy in our warm therapeutic pool offers a safe and effective environment for learning and practicing water safety, water exercise, water recreation and swimming skills.

MUSIC THERAPY
The music program is designed to promote student self-expression, self and body awareness and an appreciation for various types of music including:

- Singing
- Playing instruments
- Active listening activities
- Expressive movement

SERVICES FOR THE VISUALLY IMPAIRED
Taking into account each student’s available vision, our certified teacher for the visually impaired adapts materials and curriculum to assist students with accessing their educational environment.

We turn challenges into possibilities.
