2. Draw the path again. This time, use your pencil.
3. Draw another path to the moon. Use your pencil again.

Worksheet #27
Downward Stroke

Go, Fred, Go!

Firefighter Fred is sliding down the pole.

1. Use your finger to slide down the pole with Fred.
2. Put a blank sheet of paper behind this worksheet. Now use a penlight behind both papers. Trace the dotted line.
3. Slide down with Fred again. This time, use your pencil.
4. Use your pencil to slide down the pole 5 more times.

Wasn't that fun?

Worksheet #28

Horizontal Stroke – Left to Right

Felix the Fire Dog

Fred's dog Felix runs to the fire truck.

1. Use your finger to show Felix running to the fire truck.
2. Put a blank sheet of paper behind this worksheet. Now use a penlight behind both papers. Trace the dotted line.
3. Now use your pencil to show Felix running to the fire truck.
4. Use your pencil to show how Felix gets to the fire truck 5 more times.

Worksheet #29*

Horizontal Stroke – Right to Left

Felix the Fire Dog

Fred's dog Felix runs to the fire truck.

1. Use your finger to show Felix running to the fire truck.
2. Put a blank sheet of paper behind this worksheet.
Now use a penlight behind both papers. Trace the dotted line.
3. Now use your pencil to show Felix running to the fire truck.
4. Use your pencil to show how Felix gets to the fire truck 5 more times.

*Alternate worksheet for some left-handed students

Worksheet #30

Short Upward Diagonal Stroke

Kick Up, Kevin!

Kevin kicks the soccer ball up high.

1. Use your pencil to show Kevin kicking his leg up.
2. Help Kevin kick up 5 more times. Use your pencil.

Worksheet #31

Short Downward Diagonal Stroke

Kick Down, Kevin!

Kevin kicks the soccer ball low.

1. Use your pencil to show Kevin kicking a low ball.
2. Five more "kick-downs" will win the game! Use your pencil.

Worksheet #32

Long Upward Diagonal Stroke

Jasmine Pedals Her Bicycle Up, Up, Up!

Jasmine is pedaling her bicycle up the hill.

1. Use your pencil to show how Jasmine pedals up, up, up the hill with her bicycle.
2. Can you help Jasmine pedal the bicycle up 5 more times? Use your pencil.

Worksheet #33

Long Downward Diagonal Stroke

Jasmine Rides Her Bicycle Down, Down, Down!

Jasmine loves to ride her bicycle down the hill.

1. Use your finger to show how Jasmine rides down the hill.
2. Use your pencil to ride down the hill with Jasmine.
3. Can you show how Jasmine rides down 5 more times? Use your pencil.

Worksheet #34

Lower-Case i

- Top. The student traces the model letter 5 times.
- Line 1. Supervise while the student traces the letter.
- Lines 2 and 3. Write the letter, then have the student imitate the letter formation. Take turns, and fill both lines.
- Lines 4 and 5. The student copies the letter as many times as possible.
- Line 6. The student writes the letter from memory to complete the line.

i is a top toucher
