Title VI Policy Statement

The ACCEL policy assures full compliance with Title VI of the Civil Rights act of 1964, the Restoration Act of 1987, section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990 (ADA), and related statutes and regulations in all programs and activities. Title VI states that “no person shall on the grounds of race, color, national origin, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination” under any ACCEL sponsored program or activity. There is no distinction between the sources of funding.

ACCEL also assures that every effort will be made to prevent discrimination through the impacts of its programs, policies and activities on minority and low-income populations. Furthermore, ACCEL will take reasonable steps to provide meaningful access to services for persons with limited English proficiency.

When ACCEL distributes Federal-aid funds to another entity/person, ACCEL will ensure all subrecipients fully comply with ACCEL Title VI Nondiscrimination Program requirements. The CEO has delegated the authority to Gordon Comfort, Title VI Program Coordinator, to oversee and implement FTA Title VI requirements.

ACCEL
Public Participation
Plan

ACCEL is engaging stakeholders in its transportation planning and decision-making processes. Stakeholders will be invited to participate in the process whether through meetings or surveys. As an agency receiving federal financial assistance, ACCEL made the following community outreach efforts:

Through the ISP (Individual Service Plan) process, ACCEL discusses transportation with each member and any responsible party quarterly to determine need. ACCEL also provides every member with contact information to discuss transportation needs and issues.

ACCEL is listed through DES/DDD to provide transportation services and provides information about transportation services to school districts that are within our service area.

In the upcoming year ACCEL will make the following community outreach efforts:

ACCEL will meet with each stakeholder and any responsible party quarterly, or as the need arises.

Public Meetings:

- (1) Public meetings are scheduled to increase the opportunity for attendance by stakeholders and the general public. This may require scheduling meetings during non-traditional business hours, holding more than one meeting at different times of the day or on different days, and checking other community activities to avoid conflicts.
- (2) When a public meeting or public hearing is focused on a planning study or program related to a specific geographic area or jurisdiction within the region, the meeting or hearing is held within that geographic area or jurisdiction.
- (3) Public meetings are held in locations accessible to people with disabilities and are located near a transit route when possible.

ACCEL submits to the Arizona Department of Transportation annually an application for funding. Part of the annual application is a public notice, which includes a 30-day public comment period.

Limited English Proficiency Plan

ACCEL

Limited English Proficiency Plan

ACCEL has adopted the City of Phoenix Language Assistance Plan (LEP) to help identify reasonable steps to provide language assistance for LEP persons seeking meaningful access to ACCEL services as required by Executive Order 13166. A Limited English Proficiency person is one who does not speak English as their primary language and who has a limited ability to read, speak, write, or understand English.

This plan details procedures on how to identify a person who may need language assistance, the ways in which assistance may be provided, training to staff, notification to LEP persons that assistance is available, and information for future plan updates.

A statement in Spanish will be included in all public outreach notices. Every effort will be made to provide vital information to LEP individuals in the language requested. Spanish translation services are available by phone at 602-995-7366 or 602-997-2331.

ACCEL will offer language assistance to members who have limited English proficiency, at no cost to them, to facilitate timely access to transportation services. ACCEL will ensure availability of qualified staff interpreters or interpreter agencies that can provide language assistance. All members will be informed of the availability of language assistance services clearly and in their preferred language, verbally and in writing. ACCEL will ensure all members understand these provisions. ACCEL will ensure that all agency interpreters are qualified.

ACCEL complies with the Safe Harbor Provision, as evidenced by the number of documents available in the Spanish language. With respect to Title VI information, the following shall be made available in Spanish:

- (1) Title VI Notice
- (2) Complaint Procedures
- (3) Complaint Form

In addition, we will conduct our marketing (including using translated materials) in a manner that reaches each LEP group. Vital Documents include the following:

- (2) Notice of Non-Discrimination and Reasonable Accommodation
- (3) Outreach Materials
- (4) Bus Schedules
