

## About Us

Bista's mission is to provide learners with the highest quality therapeutic services within their community. At Bista we strive to create enjoyable and engaging therapy spaces where we collaborate as a team to support our learners meeting their goals. We provide parent training to help skills generalize and offer services in a variety of locations.

**Lifelong  
impact**

"It is one of my absolute favorite things to have a student work on a goal without actually knowing they are working on it. Play is such a wonderful tool, and at Bista we get to use a lot of it."

*Allison Scully, Therapy Coordinator*

"I appreciate that the team members truly care about each other's success. Having a team that cares for each other helps us all provide the best services possible."

*Emily Nuño, Clinical Director*
